Director of Music: Dr Debra Shearer-Dirié

ChoirWorks is delighted to invite you to our next concert, **Into the Light**, on **Saturday May 23, 6.30pm** at St John's Cathedral, Ann Street.

Step out of the noise and into a space of reflection, hope and illumination, as we explore through music the many forms that light and shadow can take. Our program features the timeless beauty of Gregorian chant alongside the luminous sounds of Elaine Hagenberg and Kim André Arnesen. Handel's dramatic Chandos Anthem no. 11, *Let God Arise*, offers moments of reflection and lyricism amidst the exuberant depiction of triumph over adversity and the scattering of darkness, while Dan Forrest's sweeping and radiant work, *Lux: The Dawn from on High* transforms every shade as the sustaining, eternal light breaks forth.
