

Introductory Recorder Ensemble Afternoon

Sunday 19 July 2026 - 1pm to 4pm

Bardon Hall
247b Simpsons Road
Bardon Qld 4065

This workshop is for people wanting to become more confident recorder players. Participants will experience playing in an ensemble in a friendly, supportive environment, with music sent out in advance.

The workshop is designed for:

- Players with little or no ensemble experience
- Players who haven't been playing for long
- Players who find the usual EMSQ ensemble workshop music a bit too challenging
- Players who are already familiar with one fingering/clef but are learning another and would like to play some easier ensemble music to help them get used to it
- Players who want to become more confident

The workshop will be presented by Brisbane-based recorder teacher, performer, composer and workshop presenter, Yvette Friend. Yvette graduated from the University of Queensland with a Bachelor of Music with first class Honours, and was awarded the University Medal for outstanding achievement. She has performed with various ensembles and orchestras including the Queensland Symphony Orchestra and Queensland Baroque. She is happy to teach students from five years old to a hundred!

Yvette is a very considerate presenter and you can look forward to a friendly, stress-free workshop.

Afternoon tea is included. There is plenty of parking on site, and the venue is on the City bus route.
